ABOUT US

About COMB⁺ **Dream Together, Rock in China**

Mission: Aggregate Global Wisdom to Drive World Revolution

- 10+ years of Global Operation and Venture Investment Experience
- Direct involvement and participation in multiple funds
- 610,000 square meters smart community for entrepreneurs' work, life, social and entertainment
- Global Entrepreneurship Educational System

COMB⁺ & SkyOcean Group

The diagram illustrates the SkyOcean Group structure. At the top left is the main logo: a stylized 'S' composed of three horizontal bars in orange, yellow, and blue, followed by the Chinese characters '天洋' and 'SkyOcean' below them. To the right, a central diamond-shaped frame contains four smaller diamond shapes, each representing a business unit. The top-left unit is 'comb+' with the Chinese characters '超级蜂巢' below it. The top-right unit is '天洋金融' with 'SkyOcean Finance' below it. The bottom-left unit is '论牌舍得' with 'TUOPAISHIDE' below it. The bottom-right unit is '清洁能源'. In the center of the diamond frame is a blue silhouette of a person riding a deer, with the text 'DREAM EAST' and '梦东方' below it, and the stock code '00593.HK' below that. To the left of the diagram, a list of key facts is provided.

- **Founded in 1993**
- **€1.5 Billion annual revenue**
- **Two publicly traded companies**

Founded in May 2015, COMB⁺ is the technology brand of SkyOcean Group Holdings Co., Ltd. SkyOcean covers business lines in technology, real estate, culture and internet finance, and has public companies in mainland China, Hong Kong respectively.

Focus on the Nordic market: Finland

China and Finland have always maintained a great friendship.

Finland has outstanding technology innovation capability.

Finland has favorable business atmosphere that encourages innovation.

Finland serves as a business hub for China to enter the European market with convenient transportation.

What we have achieved

Mayor of Helsinki visited COMB+

COMB+ invited to attend the seminar in Finnish ambassador's residence 2017

Sino Track 2016

Sino Track 2017

What we have achieved

Future Plan

Help more Finnish or Nordic start-ups develop in the Chinese market and obtain investment opportunities.

Encourage Chinese start-ups to develop in the Finnish or Nordic markets and explore cooperation opportunities.

Continually integrate Sino-Finnish cooperation resources deeply.

Further upgrade the bridge between China and Finland.

SINO TRACK

International Accelerator Program

SINO TRACK

SINO TRACK

An acceleration program that provides international startups with the know-how, network, funding and support they need to accelerate growth in the Chinese market. Located in Beijing and Helsinki.

Acting as your local contact and entry guide in one

Leading you towards opportunity

Helping you conquer traditional challenges

What does Sino Track helps?

SINO TRACK assists international startups to enter China in three aspects:

KNOW-HOW TRANSFER

Innovation and entrepreneurship environment; Investment environment; Legal and IPR, preferential policy.

NETWORKING

Invaluable networking opportunities with local entrepreneurs, industry experts, investors, and governmental institutions.

FINANCING & INVESTMENT

Financing and investment (direct and indirect) from us.

3 Phases of Sino Track Program

SINO TRACK
