

## **Virtual Business Forum:**

### **E-governance and AI solutions in Estonia and the Czech Republic**

Estonia and the Czech Republic are co-hosting a Virtual Business Forum under the auspices of Ministers of Foreign Affairs of both countries. The Forum will take place on

Monday the 12th of April 2021 at 13.00 CET/ 14.00 EET on a virtual platform

The aim of the Virtual Business Forum is to enhance business contacts between companies from both countries (B2B) and also between companies and state institutions (B2G).

This event is an excellent opportunity to introduce each country's innovative solutions in the field of e-governance, digitalisation and artificial intelligence as well as connect companies and countries in the year when we celebrate 100 years of mutual diplomatic relations.

#### **Programme:**

##### **Opening remarks**

Ms. Eva-Maria Liimets, Minister of Foreign Affairs of Estonia

Mr. Tomáš Petříček, Minister of Foreign Affairs of the Czech republic

##### **Keynote speakers;**

Mr. Ott Velsberg, Government Chief Data Officer, Ministry of Economic Affairs and Communications of Estonia

Mr. Vladimír Dzurilla, Director of the Czech National Agency for Communication and Information Technologies and advisor to the Czech Prime Minister in the area of ICT and digitalization

Presentations of the Czech and Estonian companies in e-governance and AI solutions.

The solutions should already be in use and scalable to other markets.

Participating companies should meet the highest compliance and integrity standards and enjoy an excellent reputation in order to be suitable for the public sector.

**Duration: 2 hours (an hour of presentations followed by an hour for bilateral B2B and B2G virtual meetings)**
